Cape Ann Brewing Co. ★ Gloucester, Massachusetts ★ HUNTERDON - BREWING COMPANY -

Sunrise Saison

Our first foray into Belgian styles of beer, saisons were pale ales originally brewed in the farmhouses of Wallonia, the French speaking region of Belgium. Giving it our own twist, we've added 150 lbs of rhubarb and 250 lbs of whole strawberries. The result is a light pink hue and flavors that wonderfully compliment the natural tartness of a traditional saison.
