WEYERBACHER

Winter Ale

At Weyerbacher we've created a Winter Ale that is a must for any malty beer lover. Winner of a Silver Medal in the 1998 World Beer Championships, Weyerbacher Winter Ale is brewed with deep-roasted chocolate malt. The taste predominates with a warm, roasty flavor, balanced out with a slightly dry finish. It's smooth but not cloying, with a warming belt of alcohol.
